The charges and fees for our Services may be set out on our Website or through such other methods that we deem appropriate in our sole discretion.

SECTION 7 - PAYMENTS, DEPOSITS AND WITHDRAWALS, INTEREST, CURRENCY AND CALCULATIONS

25. Payments

Unless otherwise specified under these Terms or otherwise agreed between you and us, all payments due and payable from you to us are due immediately upon our demand and must be made by you and received by us in full in cleared funds in your Account (or in another bank account designated by us) and in such currency as we may from time to time specify. All payments from you shall be made without any deduction or withholding of any taxes, charges, and other incidental costs.

26. Deposits and withdrawals

26.1 You can deposit funds into, and withdraw funds from, your Account; there are several payment methods, including third-party payment service providers, available for you to use.

26.2 If you request a deposit or a withdrawal and you owe us a payment, we reserve the right to withhold, from the request, the amount owed to us and to set-off such amount in accordance with the Terms.

26.3 Deposit and withdrawal requests will be processed as soon as possible, on a best endeavours basis. There are several factors that may delay the processing of a

request, including verification checks, the processing time of the third-party payment service provider and technical issues. We will not be liable for any such delays.

26.5 Deposits and withdrawals may be subject to a minimum or maximum value per transaction. In the event you make a request for a deposit or a withdraw that is below the minimum or above the maximum, your request will not be processed.

26.6 Your deposit or withdrawal may be subject to fees or charges applied by:

- (a) your bank;
- (b) debit or credit card provider or card scheme;
- (c) a third-party payment service provider;

26.8 Except where Applicable Law, these Terms or our Policies require otherwise, we apply a return to source policy whereby a withdrawal request will be processed to the payment method used when you made your deposit, with payment cards being a priority. This means that we will return the funds deposited using payment cards to such payment cards first, and then

- proceed to return the remaining funds, if any, to your other payment methods.
- 26.9 If you deposit funds to your Account using multiple payment sources and you subsequently make a withdrawal request, we will process the withdrawal request to the source of the deposit in accordance with clause 26.8 and in the same currency of the deposit, except in the event where Applicable Law, these terms or our Policies require otherwise.

In such event, we will not be liable for any losses incurred as a result of the rejected deposit. Our rejection does not extinguish nor waive your obligation to make a payment due to us or prevent the accrual of any interest. We reserve the right to exercise all rights and seek all remedies that may be available to us.
- 26.13 In the event of actual or suspected error, fraud, unjust enrichment, money laundering, terrorist financing or other suspicious or irregular activity, as determined by us, in our sole discretion, or as notified to us by a third-party including our third-party payment service providers, whether directly or indirectly relating to any deposit or withdrawal request, we reserve the right to do one or more of the following:

If we reasonably suspect your chargeback or cancellation request to be dishonest, we reserve the right to withhold any withdrawal request until the chargeback or cancellation request is investigated by the relevant third-party payment service provider. By utilising our Services, including where you deposit, withdraw or conduct an internal transfer, or place Orders in a currency other than a base currency of your Account, we may apply additional costs and fees to your Account.

27.3 We reserve the right to vary the costs and fees under this clause 27.

27.4 The exchange rate for all types of currency conversion will be based on the applicable bid or offer exchange rate at the time of conversion. You acknowledge that exchange rates fluctuate and may change between the time that the indicative exchange rate is quoted and the time that the amounts are converted.
